This is not a call for competition. Solihull Metropolitan Borough Council (SMBC) are interested in consulting with the market prior to tendering for the provision of hard facilities management and delivery services covering all building, mechanical and electrical engineering requirements. The suppliers do not need to express an interest to participate in the market engagement event, any supplier will be able to access the link to register on CSW-JETS and download and respond to the questionnaire. Please note that anyone that chooses not to participate in the market engagement will not be excluded in the tender, and that a separate project on CSW-JETS will be set up to invite bids along with a Contract Notice advertising the opportunity at the time we go to market. The Council may elect to consult with some of the responders through individual sessions that are held adhoc to further discuss the supplier's responses and anything else they wish to discuss.
