## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Preparation for a contract of this size and complexity has a long lead time of around 3 years, therefore the Covid-19 pandemic has caused an unavoidable diversion of Health Board resources across Labs disciplines, Finance and Procurement. A 12 month extension will therefore allow time to prepare for the longer term re-tender. This is a reasonable and proportionate step in order to maintain a critical clinical service whilst balancing this against our legal duty to expose the requirement to full, open competition in due course.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

### IV.2) Administrative information

#### IV.2.1) Previous publication concerning this procedure
