II.1.4) Short description

The purpose of this Prior Information Notice (PIN) is to inform organisations of a supplier Pre-Market Engagement exercise (PME). The PME is related to the procurement and contract for the provision of Transforming Dental Systems which includes the processing of dentists' treatment activity claim submissions, calculating and payment of contract holders in line with their NHS Dentistry contracts and to manage NHS Dentistry contract performance. The NHSBSA wants to present to the market its findings and consult on the approach for the next stages including its procurement. The NHSBSA invites you to participate in an RFI for Dental Services to modernise current operations with the introduction of a rationalised, flexible technical solution underpinning business operations, to give the business more agility to react to an ever-changing landscape across NHS Dentistry and wider NHS services, as well as providing an element of future proofing to accommodate any unknown changes on the horizon.
