II.1.4) Short description

Lot 1: The aim of this Service is to intervene in the lives of young people and offer a challenging programme of informal social education. Youth workers on this service will be important influencers on young people's lives to stimulate discussion and involve them in a variety of activities. This model of youth work practice will be targeted at young people on their territory (streets, parks, open and shared public spaces). Participation is voluntary and engagement is on the terms of the young people.

This service will also be responsible for delivering our 'youth voice' offer across the Borough, including the responsibility for the maintenance and delivery of our local youth parliament and associated youth engagement and social action groups.

The service will also be responsible for delivering holistic health and wellbeing support provision for young people within the borough of Knowsley (Teenage Health in Knowsley Service – THink).

Lot 2: The aim of this Service is to support young people in the Borough to ensure they reach their potential; overcome barriers they face and achieve the outcomes and goals they set themselves. The Service will work in a variety of ways; including 1-1, small group work, coaching, etc., and will be responsible for the promotion of the Service to young people in the area. The Service will also contribute to Boroughwide activities and events for young people.
