Scope

Description

Translink is issuing this Pre-Market Engagement (PME) notice to identify potential suppliers and determine what train-borne antenna solutions are available in the market. Translink therefore invites interested suppliers, with a proven record in the delivery of these types of products, to engage with Translink and complete the associated questionnaire.

The aim of this Pre-Market Engagement is to afford interested Suppliers an opportunity to identify themselves, and their suitable products, for Translink's consideration for the forthcoming onboard radio installation.
