Ministry or any other national or federal authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Gigabit Infrastructure Subsidy Programme DPS Lot 27.01 Hampshire

II.1.2) Main CPV code

- 64200000 - Telecommunications services

II.1.3) Type of contract

Services

II.1.4) Short description

This procurement is for the award of a DPS Contract in the Hampshire area. This is part of the Gigabit Infrastructure Subsidy programme.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £14,454,000

II.2) Description

II.2.2) Additional CPV code(s)

- 32412100 - Telecommunications network

II.2.3) Place of performance

NUTS codes

- UKJ3 - Hampshire and Isle of Wight

Main site or place of performance

Hampshire CC

II.2.4) Description of the procurement

The geographic scope of the DPS is UK-wide. Its focus is to target the build of gigabit-capable broadband infrastructure in the final 20% (f20) of the country that is not commercially viable for the market to design, build and operate without government intervention. Following successful admission of Suppliers onto the DPS, Suppliers can tender for Call-Off Contracts. Each Call-Off Contract will vary in terms of number of premises covered, value and geographic coverage. BDUK currently expects the average Call-Off Contract size to be around 1,000 to 8,000 premises.

The DPS will be used by BDUK and will be available to the UK's Devolved Administrations to award Call-Off Contracts. Devolved Administrations refers to the National Assembly for Wales; the Scottish Government; and the Northern Ireland Assembly and Executive Committee.

The UK Government has confirmed that approximately £5 billion will be allocated to target the final 20% (f20), the hardest to reach parts of the UK. BDUK will be targeting its market intervention in these areas of the UK via a programme to subsidise the design, build and operation of gigabit-capable Supplier networks providing long-term, sustainable availability of wholesale gigabit broadband services in the hardest to reach parts of the UK. Suppliers must be qualified onto the DPS to be eligible to bid for Call-Off Contracts.

This procurement is for the award of a Dynamic Purchasing System Contract – Hampshire 27.01. It concerns the delivery of a gigabit-capable network for an estimated total number of 10,528 premises. BDUK intends to make available £14,454,000 of public funding available for this contract.

Only those Suppliers successfully admitted onto the DPS are eligible to bid on this ITT.

The provision of subsidy will be provided in accordance with the UK subsidy control regime.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 65

Price - Weighting: 35

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description
