III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

A Parent Company Guarantee or equivalent form of security may be required at any time during the term of the contract. This may include where the financial standing of the

applicant does not meet the required level as stated in the Selection Questionnaire. Further information will be set out in the Selection Questionnaire and accompanying guidance.

Applicant companies are asked to note that Highways England may decline to award the contract to the highest scoring bidder where it is already the contractor for a certain number of existing Maintenance & Response and Asset Support Contracts. This is to maintain the resilience of the Highways England network. Contract award opportunities for applicant companies may therefore be prohibited on this basis. Full details of the network resilience test are provided within the Instruction for Tenderers (IfT) document.

Contract dates stated are indicative and may be subject to change.

VI.3) Additional information

The Contracting Authority intends to use an eTendering system in this procurement exercise. Suppliers Instructions on how to take part in this Tender:

1. Register for a free account at <https://highways.bravosolution.co.uk>
2. Click the 'ITTs Open To All Suppliers' link. (These are Invitations to Tender (ITT) open to any registered supplier). Click on the relevant ITT to access the content. Click the 'Express Interest' button at the top of the page. This will move the ITT into your 'My ITTs' page. (This is a secure area reserved for your projects only). You can now access the Tender Documents by clicking 'Buyer Attachments' in the 'ITT Details' box.
3. Click 'My Response' under 'ITT Details', you can choose to 'Create Response' or to 'Decline to Respond' (please give a reason if declining). You can now use the 'Messages' function to communicate with Highways England and seek any clarification. Follow the onscreen instructions to complete the ITT. There may be a mixture of online and offline actions for you to perform. You must then submit your reply using the 'Submit Response' button at the top of the page. If you require any further assistance please consult the online help, or contact the eTendering help desk.

The successful tenderer will be required to sign the Highways England Fair Payment Charter as a condition of acceptance of their tender.

As a supplier/organisation looking to bid for public sector contracts you should be aware that tender documentation for contracts over £10,000 GBP will be published on a single website and made available to the public. You should also be aware that if your bid is successful the resulting contract will be published. In some circumstances, limited redactions will be made to tender documentation and/or contracts before they are published in order to comply with existing law, to protect commercial interests and for the protection of national security. Highways England are committed to ensuring public sector procurement is used, where possible, to promote skills training and open up apprenticeship opportunities on public sector projects and programmes.

The successful Contractor will be appointed to fulfil the duties of Principal Contractor under the Construction (Design and Management) Regulations 2015. For further details

please refer to the Instructions for Tenderers.
