The previous programme targeted at BBC Senior Leaders was predominantly internally designed and delivered. We are now seeking a trusted external partner to design and deliver this new blended learning solution. We intend to offer places to a minimum of 25 senior leaders per year.

The BBC also want to make sure that every senior leader (around 300 in total) has easy access to focused digital learning which is directly relevant to their role and responsibilities and the challenges they face. The suite of digital learning from our chosen external supplier will sit alongside and add value to BBC content. The digital content will set out to explore and embed the knowledge, know-how and behaviours to support and enable our senior leaders confidently to deliver sustainable high performance through their teams.
