II.1.4) Short description

NHS Hampshire, Southampton and the Isle of Wight CCG, Isle of Wight Locality only are holding a Market Engagement Event for the re-procurement of the Safe Haven service on The Isle of Wight.

The event will be a virtual event held on the afternoon of the 21st July 2021. In order to access the Memorandum of Information (MOI) that provides detail for the procurement and registration form please register on the In-tend portal project reference number F14663 Safe Haven Service and complete the registration form by the 19th July, you will then be sent details to join the event.

The Safe Haven is for the cohort of the population resident on the Isle of Wight that may be at risk from a relapse of their mental health well-being; primarily those who have a diagnosed mental health condition and who may be at risk of a mental health crisis as well as those who require the support of trained MH workers at times of difficulty.

The Provider will work in partnership with service users, carers and other local (mental health specific and mainstream primary care and community) organisations to expand opportunities for individuals with mental health needs to obtain support within their local community.

II.2.4) Description of the procurement

NHS Hampshire, Southampton and the Isle of Wight CCG, Isle of Wight Locality only is holding a Market Engagement Event for the re-procurement of the Safe Haven service on The Isle of Wight.

The event will be a virtual event held on the afternoon of the 21st July. In order to access the Memorandum of Information for the procurement and registration form to register on the In-tend portal project reference number F14663 Safe Haven Service and complete the registration form by the 19th July, you will then be sent details to join the event.

The Adult Mental Health Safe Haven is for the cohort of the population resident on the Isle of Wight that may be at risk from a relapse of their mental health well-being; primarily those who have a diagnosed mental health condition and / or who may be at risk of a mental health crisis as well as those who require the short term support of trained MH workers at times of difficulty.

The Provider will work in partnership with service users, carers and other local (mental health specific and mainstream primary care and community) organisations to expand opportunities for individuals with mental health needs to obtain support within their local community.

The Isle of Wight Mental Health Crisis Safe Haven was established under a grant agreement in 2018/19 to provide a resource for those who may be at risk of, or who may be experiencing a mental health crisis. The grant was formalised into an NHS Standard contract that will expire on 31 March 2022.

The CCG now intends to award a contract for the provision of services to provide opportunities for individuals with mental health needs to obtain short term support within their local community.

3.2 Objectives of the Procurement

The CCG is seeking to appoint a suitably experienced and qualified Provider that will provide, as described in the service specification, an effective, supportive resource for those who may be at risk of, or who may be experiencing a mental health crisis.

The procurement process will identify a Provider that can meet the current and future demands of this service and that can deliver an integrated approach to support, working in partnership with other Providers on the island to reduce the impact of crisis on the individual and in doing so, ensure that the impact of mental health crisis is reduced across the wider health and social care system.

II.3) Estimated date of publication of contract notice
