Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

The University of York (including its associated entities) intends to contract with the enclosed provider for the manufacture of a vaccine clinical lot for a 42 month period commencing 1st July 2022 without a call for competition. The University's reasons are:

- The clinical lot is required to be compatible in manufacture with that previously used in clinical trials by the University of York, requiring manufacture using the cell line "Procell 92". The contractor were co-designers of the vaccine used in the clinical trials.
- Only the contractor is authorised by the owners of Procell 92 (GSK) to use this cell line for manufacture of a Leishmaniasis vaccine
