Total value of the contract/lot: £11,500,000

Section VI. Complementary information

VI.3) Additional information

The anticipated contract spend under this procurement is up to 11.5 million GBP. This figure represents an estimated limit and does not constitute a guarantee of work or expenditure. Actual spend may vary based on the demand and requirements over the course of the contract term

Evaluation of bids will be based on the rates submitted by the Contractor as part of their tender submission. The evaluation process will focus on ensuring value for money and assessing cost effectiveness through the rates provided, in line with the quality and standards required.

Rates Submitted v Contract Spend

The total value derived from the rates submitted by the Contractor is used solely for evaluation purposes and to assess value for money, it is important to note that this evaluated total does not represent or imply the final contract expenditure

The actual spend under the Contract may be up to a value of 11.5 million GBP depending on the service requirements and demand throughout the contract period.

(SC Ref:792983)
