<https://etenders.gov.ie>

I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

24/042 Telecom Equipment Colocation Cabin Supply

Reference number

24/042

II.1.2) Main CPV code

- 44211110 - Cabins

II.1.3) Type of contract

Supplies

II.2) Description

II.2.2) Additional CPV code(s)

- 32412100 - Telecommunications network
- 32500000 - Telecommunications equipment and supplies
- 44211000 - Prefabricated buildings
- 45314000 - Installation of telecommunications equipment

II.2.3) Place of performance

NUTS codes

- IE - Ireland

II.2.4) Description of the procurement

The objective of this QSQ is to qualify Applicants onto the Qualifications Systems for the design,

manufacture, supply and installation of multiple

telecoms equipment colocation cabins. These

colocation modules may consist of a temperaturecontrolled 9m × 3m × 3m container and house a

range of telecommunications equipment (that are

owned and operated by others) with accompanying

electrical supplies, fibre optic distribution system

and supporting installations. The scope includes but

will not be limited to; · Cabin and systems design ·

Cabin structure · Cabin internals · HVAC (Heating,

ventilation, and air conditioning) · AC Power · DC

Power system · Earthing system · Lightning

protection system · UPS (Uninterrupted Power

Supply)

· Fibre management systems · Cable management

systems · Equipment cabinets · Building

management system · Control Panel · Intruder

alarm system · Fire alarm system · Fire

suppressant system · Emergency and escape

lighting · Cabin access and controls system · Water

leak detection systems · CCTV systems · Duties

associated with the role of PSDP (Project

Supervisor for the Design Process) and PSCS

(Project Supervisor for the Construction Stage) ·

Any other ancillary works associated with any of the

above · The scope may also include upgrades,

modifications, extensions and maintenance to new

and/or existing telecoms equipment colocation

cabins. Please find further information and details

of the colocation modules that will be required

under the contract in Appendix 5 Co-Location

Facility Data Sheet. The Contracting Entity reserves

the right to call off from the Qualification System in

respect of ancillary services that may be required to

be performed in Northern Ireland. Admission to the

Qualification System is subject to Applicants

meeting the minimum requirements and minimum

scores set out in this QSQ. The details of how the

Qualification System will operate are set out in

Appendix 2 (Operation of the Qualification System).

Applicants should note that from time to time over

the term of the Qualification System, the

Contracting Entity, at its sole discretion but without

altering the overall nature of the Qualification

System, may modify the Qualification System to

reflect changes in its requirements. The conditions under which such an option may be exercised by the Contracting Entity will be outlined in the relevant call off competition document.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.8) Duration of the qualification system

Start date

16 April 2025

End date

7 March 2035

Section III. Legal, economic, financial and technical information

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Contract performance conditions will be set out at

CFC stage

Section IV. Procedure

IV.2) Administrative information

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.4) Procedures for review

VI.4.1) Review body

The High Court

High Court Central Office, Four Courts, Inns Quay,

Dublin

Email

highcourtcentraloffice@courts.ie

Telephone

+353 18886000

Country

Ireland

Internet address

<http://www.courts.ie>

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Please refer to Statutory Instrument 131 of 2010,

European Communities (Award of Contracts by

Utility Undertaking) (Review Procedures)

Regulations 2010 (and in particular Regulation 7

and 10(2)).
