This is a Provider Selection Regime (PSR) confirmation of contract award notice. This contract is being awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by

Wednesday 4 September 2024 (8 working days following publication of intention to award notice)]. This contract has not yet formally been awarded; this notice serves as an intention

to award under the PSR.

Gloucestershire ICB award decision makers:

Gloucestershire ICB Board

Gloucestershire ICB Operational Executive

Gloucestershire ICB Strategic Executive

NHS Provider Selection Regime Direct Award C.

The current incumbent, Young Gloucestershire, was considered against the 5 key criteria. These criteria are not weighted

differently as they are equally important for this service. They are currently meeting all contractual and legislative requirements and have been delivering our integrated Young Adults Service since 2019, when they developed a new support model for 16-25 year olds (14 years + for self-harm support) as part of our Children's Mental Health Transformation and Community Mental Health Transformation Programme for Gloucestershire. Young

Gloucestershire consistently fundraises significant amounts of income annually to support the delivery of their services which bring benefits to the children and young people of

Gloucestershire, specifically in reducing health inequalities which is one clear aim of the ICB.

No conflicts of interest registered. COI is managed using the ICB COI process along with NHSE COI guidance and the PSR reg 21 and guidance.

Approximate contract value: £5,638,706 (5-year contract period).

Proposed contract length 3-years (with option to extend for a further 2-year period) from 1 September 2024.
