Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Roadside Repair and Recovery

Reference number

709140450

II.1.2) Main CPV code

- 50110000 - Repair and maintenance services of motor vehicles and associated equipment

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority seeks information relating to Roadside Repair & Recovery; the provision of a roadside repair and recovery service to MOD owned and registered vehicles. A full service must be available 24 hours a day, for 365 days of the year (366 in the event of a Leap Year). The service must be available in the United Kingdom (includes Scottish Islands, and Northern Ireland), Europe and extends to Morocco in North Africa.

This Prior Information Notice (PIN) is intended to notify Industry of the Authority's request for suppliers to express interest in participating in a Request for Information (RFI) relating to the Authority Draft Risk Register. This will allow the Authority to obtain feedback on the

Draft Risk Register. Should suppliers express interest in participating in this exercise, the Authority Draft Risk Register and corresponding RFI will be issued to suppliers with a specific response period time frame – please see Section 3 of the Authority PIN document attached to the Opportunity Notice.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50111000 - Fleet management, repair and maintenance services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Authority seeks information relating to Roadside Repair & Recovery; the provision of a roadside repair and recovery service to MOD owned and registered vehicles. A full service must be available 24 hours a day, for 365 days of the year (366 in the event of a Leap Year). The service must be available in the United Kingdom (includes Scottish Islands, and Northern Ireland), Europe and extends to Morocco in North Africa.

This requirement is for the provision of a roadside repair and recovery service to MOD owned and registered vehicles, ranging from cars, motorcycles, light commercial vehicles and trailers through to heavy commercial vehicles. Armoured and tracked vehicles are also included up to a maximum gross weight of 44 tonnes (44,000kg).

II.2.14) Additional information

The Authority would like to notify the market of a potential upcoming requirement and hear from suppliers to assist with the development of the Authority Risk Register by obtaining feedback from Industry through issuing a Request for Information to suppliers who express interest in partaking in the exercise in response to this PIN.

II.3) Estimated date of publication of contract notice

15 May 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

A PIN has been issued on 15/05/2024 to assist the MOD with developing the Requirement for the above project. The PIN has been issued to request that Industry express interest in partaking in a Request for Information (RFI) to provide feedback on the Authority Risk Register.

All documents and details relating to this PIN can be found via the Defence Sourcing Portal via the following link:
