## **II.2.4) Description of the procurement**

We would like to invite participation in the pre-market engagement exercise by completing the Pre-Market Engagement Questionnaire.

This market engagement notice aims for Anglian Water to better understand the feasibility of our requirements and to reduce time limits of the potential tendering exercise.

Specifically, the objective of this exercise is to consult the market to gain further:

- a) Understanding of the market - how many suppliers are interested, capabilities of the market, gain insight to the market possibilities, understand risks and issues not previously considered
- b) Understand what differentiates the suppliers solutions (if any)
- c) Outline the vision and objectives of Anglian Water's requirements;

Raise initial supplier awareness, engagement and opinion;

Acquire confidence in the viability of our scope; and

Prepare the market for the forthcoming procurement.

Further information is provided in the guidance document available on Scanmarket
