Scope

Description

Pre and Post Event Site Surveying Services and Project Management of Site Reinstatement at the Royal Parks Surveying of Sites Prior and Post Events, and the Project Management

of subsequent Site Reinstatement Works in Hyde Park, which takes place during January – April each

year. This service reviews the impact on event sites by events within the Royal Parks.

1.2 The Royal Parks require the documented conditions of sites before and after events in the parks, such

as The British Summertime Concerts, and Winter Wonderland in Hyde Park and Frieze and Taste in The

Regents Park. These events have included the use of temporary structures, plant, machinery and

vehicles during the build, live show and de rig of these events. The sites will also have been subject to

heavy footfall over an extended period of time. These activities will have an impact on the condition

of the surface and grass sward.

1.3 These surveys require that the levels of wear and tear, damage and contamination to soft landscape,

to be recorded and the amount of resource required to return it to its previous condition
