II.1.4) Short description

As a recognised tourism hot spot, Stratford on Avon District has been deeply affected by the recent pandemic. In order to encourage both national and international visitors to return to the area, Stratford-on-Avon District Council is looking to award a contract to its partner organisation Shakespeare's England Ltd to assist them in organising 'Welcome Back' events within eight rural areas of Stratford on Avon District. These events are to take place between July 2021 and March 2022.

Shakespeare's England Ltd is the recognised Destination Management Organisation (DMO), for South Warwickshire. They are fully accredited by VisitEngland / VisitBritain and responsible for the South Warwickshire Destination Management Plan.

The role of the DMO is to promote tourism and visits to the area locally, nationally and internationally; through making Warwickshire a great place to live, work, and visit, so that visitors will stay longer, explore further and spend more.

Due to the expansive knowledge that Shakespeare England has of both Stratford on Avon District and its tourism sector through its role as the DMO for South Warwickshire ; it is the Council's belief that no other organisations would be in a position to fulfil the role required. Although this opportunity is below threshold under the Public Contract Regulations 2015; to evidence this we are issuing a call to competition.

If no interest is received within 10 working days of publication (deadline 12.00 noon Tuesday 20th July 2021) we will award the contract to Shakespeare's England.

II.2.4) Description of the procurement

The Contract looking to be awarded is for an organisation to encourage both national and international visitors to return to the area. We are looking for an organisation with a wealth of experience of working in local areas to undertake a 'Welcome Back' role within the Stratford on Avon District. The total budget for this requirement is £70,000.00, of which, £40,000.00 must be allocated to funding events.

They will be required to do this by delivering the following:

- Developing ideas and assisting in events to cover eight rural

settlements; organising a 'welcome back' event in each location. These events are to take place between July 2021 and March 2022.

- Co-ordinating the proposals (including ideas from Town and Parish Councils) and overseeing delivery to maximise spending within the agreed budget.
- Being the day-to-day contact for the stakeholders and being responsible for the promotion of the Welcome Back Events both on and off-line; maximising print, social media and website visibility getting local, regional and National coverage.

- Provide a regular update to Stratford on Avon District Council on progress.

The contract should be a new targeted campaign under an agreed working title and involve photography and videography at each event for future use on the Town/Parish websites.

Although the main target for this activity will be engagement with the businesses and local residents, they will, by their very nature attract outside interest and can be used as a platform to escalate the opportunity to drive additional visitors in the future.
