---

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

UKRI-1445 CLF Design House Services

Reference number

UKRI-1445

### **II.1.2) Main CPV code**

- 71320000 - Engineering design services

### **II.1.3) Type of contract**

Services

### **II.1.4) Short description**

UKRI wishes to establish a Contract for the provision of Design House Services for its Central Laser Facility (CLF), part of UK Research and Innovation's (UKRI) Science and Technology Facilities Council (STFC).

### **II.1.5) Estimated total value**

Value excluding VAT: £4,000,000

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UKJ14 - Oxfordshire

Main site or place of performance

Oxfordshire

### **II.2.4) Description of the procurement**

To support facility operations and enable our Projects, including ensuring timely delivery, CLF requires the services of a multi-disciplined Design House (DH) with excellent knowledge and capability across a broad spectrum of mechanical, electrical, software and control and instrumentation engineering skills. The DH will provide personnel to supplement existing CLF engineering capability in operations and to undertake the coordination and delivery of design packages from Front End Engineering Design (FEED) through to full manufacturing drawings for Projects. This work will be undertaken under

DH management and with guidance from existing CLF staff, as required to meet the necessary timescales and agreed quality standards.

It is expected that the DH contract will last for up to 4 years from inception to completion. The maximum contract spend over the 4 year duration shall not exceed £4M excl. VAT. The Contract will be on a call-off basis, with work packages and service delivery being drawn down according to needs. However, please note there is no guaranteed volume of orders or minimum contract value associated with this Call-Off Contract.

#### **II.2.5) Award criteria**

Quality criterion - Name: Technical/Quality / Weighting: 70

Cost criterion - Name: Price / Weighting: 30

#### **II.2.6) Estimated value**

Value excluding VAT: £4,000,000

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

48

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## **Section IV. Procedure**

## **IV.1) Description**

### **IV.1.1) Type of procedure**

Open procedure

### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

### **IV.2.6) Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 3 (from the date stated for receipt of tender)

### **IV.2.7) Conditions for opening of tenders**

Date

12 August 2021

Local time

2:00pm

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

UKRI is managing this procurement process in accordance with the Public Contracts Regulations 2015 (as may be amended from time to time) (the "Regulations").

UKRI is procuring the Contract for its exclusive use.

UKRI shall utilise the e-sourcing portal Delta and all correspondence and submission of documents must be through that portal. Suppliers are to utilise the messaging system within the e-sourcing tool within the timescales detailed in this document.

If there is any doubt with regard to the ambiguity of any question or content contained in this questionnaire then Suppliers should raise a clarification question via the e-sourcing portal. Suppliers are to note that any requests for clarifications may not be considered by UKRI if they are not articulated by the Supplier within the discussion forum within the e-sourcing tool and received within the specified time.

All Tender Responses MUST be submitted through the portal. Please note, any submission of a Response which is outside of the e-sourcing portal will result in the Response not being considered.
