West Bletchley Council intends to enter into a 5-year contract for the maintenance of general landscaped areas of open space within the parish of West Bletchley in the borough of Milton Keynes.

West Bletchley is predominantly a residential area, with little in the way of commercial property. There is an abundance of open space areas, including general grassed areas around and between dwelling houses as well as identified parks and sports areas and grassed highway verges.

Being one of the older established parts of Milton Keynes, there are many established trees bordering roadways and in parks. West Bletchley Council's Chepstow Park is one of few parks in Milton Keynes to retain Green Flag status.

West Bletchley Council provides a devolved landscape maintenance service on behalf of Milton Keynes Council and is seeking a 5-year contract to enable it to continue devolved service delivery. West Bletchley Council is committed to improving standards of landscape maintenance and maximising use of open space within the parish.

This Contract covers the maintenance of parks, open spaces, natural areas, play areas, housing areas, highways verges, allotments and others with approximately 65 Hectares of grass to each cut cycle.
