The London Borough of Hammersmith and Fulham are seeking suitable providers to deliver services to unpaid carers in the borough.

The Carers Hub contract supports us to meet our Care Act (2014) duties to carers. Services that the Carers Hub currently provides under this contract are:

- Carers assessments, reviews, support plans and personal budgets
- Social events and peer networking/support
- Information, advice and training on a range of topics.
- Signposting to other services where appropriate
- Forging partnerships with local charities and businesses to enhance the offer to carers.

Referrals for an assessment can be made to our Carers Hub from the Council, other

professionals or as a self-referral. Council social workers are also able to conduct carers assessments as part of their work with the cared-for, but our Carers Hub provider does around 80% of the total annual carers assessments.
