- 90514000 - Refuse recycling services

VII.1.3) Place of performance

NUTS code

- UKL21 - Monmouthshire and Newport

Main site or place of performance

Newport, South Wales

VII.1.4) Description of the procurement:

NOTE - This is a contract modification notice only, not a new procurement process.

In 2016, Newport City Council awarded a 8 year cost-recovery only contract (with option to extend for 2 years) for the

collection of dry recycling and food waste from households and council buildings. The services included the purchase and

delivery of containers for the containment of dry recycling and food waste and sales of collected dry recycling. The contract has been extended by the stated 2 years, and is now being modified to include the collection of dry recycling and food waste from non domestic premises.

VII.1.5) Duration of the contract, framework agreement, dynamic purchasing system or concession

Start date

1 April 2024

End date

31 March 2026

VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£24,255,000

VII.1.7) Name and address of the contractor/concessionaire

Wastesavers Recycling Limited

Wastesavers Resource Centre, Esperanto Way Lliswerry

Newport

NP190RD

Telephone

+44 1633281281

Country

United Kingdom

NUTS code

- UKL21 - Monmouthshire and Newport

The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

To amend existing contract specification to incorporate the requirements of the Waste Separation Requirements (Wales) Regulations 2023 / Workplace Recycling Regulations for the collection of dry recycling and food waste from non domestic premises.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The service provider operates a recycling collection that meets the Requirements of the Regulations. Utilising and expanding this current service avoids excess cost to NCC of tendering and implementing a new collection service. Working with the current contractor avoids a risk of a tender exercise not being completed within the timescale ahead of implementation of the Regulation, or tender responses not meeting service needs that would result in NCC being unable to meet legislative Requirements. The modified contract will only run until March 2026, so in approx 12 months time, a new tender process will be undertaken to award a new contract commencing in April 2026.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £24,255,000

Total contract value after the modifications

Value excluding VAT: £25,000,000
