Lot 5: Asbestos Removal and Disposal

Lot No

5

II.2.2) Additional CPV code(s)

- 45262660 - Asbestos-removal work

II.2.3) Place of performance

NUTS codes

- UKD12 - East Cumbria

II.2.4) Description of the procurement

Lot 5: Asbestos Removal and Disposal

Carry out removal, encapsulation of asbestos containing materials including disposal of hazardous waste for Projects within Council buildings and schools. For each project Contractors appointed will be invited to attend site to enable them to quote for the Works.

Emergency response – Contractors shall attend site with equipment to carry out remedial works within 2 hours of emergency being reported to them

All Contractors shall provide waste consignment notes with the invoice.

All contractors undertaking work on ACMs must hold membership of either ARCA, or the ACAD Division of TICA, and must hold an Asbestos Licence from the HSE Asbestos Licensing Unit.

The above requirements do not apply to non-licensable tasks in the following categories:

- Removal of asbestos cement materials such as roofing sheets and rainwater goods
- Toilet cistern and seat removal
- Vinyl floor covering material
- Gaskets removed by engineers.

However it is a requirement that all persons removing or working on the above items have received recognised training on working with non-licensable ACMs.

Contractors carryout asbestos related work must hold the minimum level of professional indemnity insurance cover as specified in the job contract. This is likely to be higher than normal levels of cover due to increased risk.

Contractors must comply with the Council's Management of Asbestos Policy in its entirety.

<https://www.cumbria.gov.uk/elibrary/Content/Internet/535/615/984/39980123319.pdf?time stamp=43815102441>. Contractors should note the separation of duties between testing and removal.

Westmorland and Furness Council is fully supportive of all aspects of diversity including ethnicity, race, religion, age, disability and sexual orientation. In this respect Westmorland and Furness Council welcomes expressions of interest from ethnic minority, disabled and other diverse business communities and the voluntary sector. Economic operators are therefore required to fully comply with all statutory obligations/applicable legislation and there will be a requirement to participate in the Authority's supplier audits on all aspects of diversity.

The Contracting Authority expressly reserves the right:

(i) not to award any contract as a result of the procurement process commenced by publication of this notice; and

(ii) to make whatever changes it may see fit to the content and structure of the tendering

competition; and in no circumstances will the Contracting Authority be liable for any costs

incurred by the candidates. If the Contracting Authority decides to enter into a Contract with the successful supplier, this does not mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of potential suppliers. The Contracting Authority reserve the right to use any electronic portal during the life of the agreement. The Dynamic Purchasing System is for 48 months. The value provided in Section II.1.5 is only an estimate. We cannot guarantee to suppliers any business through this contract. Under this procurement the contractor is required to

actively participate in the economic and social regeneration of the locality and surrounding the place of delivery for the procurement. Accordingly contract performance conditions may relate in particular to social and environmental considerations.
