Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Non-Infrastructure Medium Project Work

Reference number

FA1756

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Non-infrastructure MEICA and Civils ~ Medium (RW1) Project Work. TWUL are procuring delivery capability for Non-Infrastructure projects.

TWUL recognises non-infrastructure as nominally all above ground plant, equipment, structures and process; the expected scope of works spans Thames Water's water and wastewater non-infrastructure (treatment) assets across the Thames Water region. The Non-infrastructure scope includes refurbishment, replacement and provision of new potable water and wastewater treatment assets including service and storage reservoirs

Water non infrastructure scope includes but is not limited to:

- refurbishment, replacement and provision of new potable ground and surface water production assets such as enhanced slow sand filter performance,
- disinfection,
- surge protection,
- chemical dosing,
- supervisory control and data acquisition (SCADA),
- run-to-waste facilities,

- cartridge filters and UV,
- increased power resilience,
- inspection and maintenance of existing service and storage reservoirs.

Wastewater non-infrastructure scope includes but is not limited to:

- refurbishment, replacement and provision of new treatment facilities such as inlet works,
- storm water storage,
- event duration monitors,
- settlement tanks,
- biological treatment, tertiary treatment, sludge treatment including thermal hydrolysis process (THP),
- digester roof replacement,
- combined heat and power (CHP),
- chemical dosing,
- phosphorous removal,
- odour control,
- SCADA,
- increased power resilience.

Non-infrastructure MEICA Medium Project Works

Lot No

1

II.2.2) Additional CPV code(s)

- 45310000 - Electrical installation work
- 45351000 - Mechanical engineering installation works

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)

Main site or place of performance

Whole of Thames Water Region

II.2.4) Description of the procurement

Non-infrastructure Mechanical, Electrical, Instrumentation, Control & Automation systems project works including the refurbishment, replacement, and maintenance as described above in section II.1.4

The work described in II.4.1 (Short Description) is Thames Water's Runway 1 (RW1). Thames Water has four runways:

RW0 is Small Project Work where works contracts are expected to typically be greater than £250k in value.

RW1 which is the subject of this procurement is intended to be used for Non-Infrastructure works with a values between £250k and £5m (but exceptionally works may fall outside those boundaries)

RW2 is Framework Agreement (Thames Wide and Geographic) which is for Infrastructure and Non-Infrastructure works with a value ranging between £5m and £25m

RW3 is Major Projects for works with generally exceeding £25m

It is intended, but not guaranteed, that Thames Water will generally allocate works contracts with a value of up to £1.5m directly to the Framework Contractors, namely such contracts will be shared between the Framework Contractors without a mini-competition. There may however be some works contracts below that value which are more suitable for a mini-competition and there may be circumstances in which works contracts above that value are directly allocated.

The aggregate Value of Contracts directly allocated to each Framework Contractor over the Term is intended to be the same. Please refer to Appendix 9 (Call-Off Procedures) of the draft Framework Agreement for further information on the procedure for the allocation of works.

II.2.11) Information about options

Options: Yes

Description of options

This lot shall run for an initial period of 4 years. Subject to satisfactory ongoing performance, the Contracting Entity reserves the right to extend this lot for up to a maximum further 4 years.

II.2.14) Additional information

Whilst the intention is to use this Lot for projects which are predominately MEICA works, there may inevitably be an element of associated civils works.

Please note, the envisaged number of participants to lot 1 is 8.

II.2) Description

II.2.1) Title

Civil Medium Project Work

Lot No

2

II.2.2) Additional CPV code(s)

- 45232421 - Sewage treatment works
- 45232422 - Sludge-treatment works
- 45232423 - Sewage pumping stations construction work
- 45232430 - Water-treatment work
- 45232431 - Wastewater pumping station
- 45232440 - Construction work for sewage pipes
- 45232450 - Drainage construction works
- 45232451 - Drainage and surface works

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)

Main site or place of performance

Whole of the Thames Water Region

II.2.4) Description of the procurement

Non-infrastructure civils project works as described above in section II.1.4.

The work described in II.4.1 (Short Description) is Thames Water's Runway 1 (RW1). Thames Water has four runways:

RW0 is Small Project Work where works contracts are expected to typically be greater than £250k in value.

RW1 which is the subject of this procurement is intended to be used for Non-Infrastructure works with a values between £250k and £5m (but exceptionally works may fall outside those boundaries)

RW2 is Framework Agreement (Thames Wide and Geographic) which is for Infrastructure and Non-Infrastructure works with a value ranging between £5m and £25m

RW3 is Major Projects for works with generally exceeding £25m

It is intended, but not guaranteed, that Thames Water will generally allocate works contracts with a value of up to £1.5m directly to the Framework Contractors, namely such contracts will be shared between the Framework Contractors without a mini-competition. There may however be some works contracts below that value which are more suitable for a mini-competition and there may be circumstances in which works contracts above that value are directly allocated.

The aggregate Value of Contracts directly allocated to each Framework Contractor over the Term is intended to be the same. Please refer to Appendix 9 (Call-Off Procedures) of the draft Framework Agreement for further information on the procedure for the allocation of works.

II.2.11) Information about options

Options: Yes

Description of options

This lot shall run for an initial period of approximately 4 years. Subject to satisfactory ongoing performance, the Contracting Entity reserves the right to extend this lot on a period or annual basis for a maximum further 4 years.

II.2.14) Additional information

Whilst the intention is to use this Lot for projects which are predominately civil works, there may inevitably be an element of associated MEICA works.

Please note, the envisaged number of participants to lot 2 is 8.

II.2) Description

II.2.1) Title

Projects involving both MEICA and Civils Works

Lot No

3

II.2.2) Additional CPV code(s)

- 45232430 - Water-treatment work
- 45232431 - Wastewater pumping station
- 45232440 - Construction work for sewage pipes
- 45232451 - Drainage and surface works
- 45232453 - Drains construction work
- 45310000 - Electrical installation work
- 45350000 - Mechanical installations

II.2.3) Place of performance

NUTS codes

- UKI - London
- UKJ - South East (England)

Main site or place of performance

Whole of the Thames Water Region

II.2.4) Description of the procurement

Projects involving both MEICA and Civils Works as described in II.1.4.

The work described in II.4.1 (Short Description) is Thames Water's Runway 1 (RW1). Thames Water has four runways:

RW0 is Small Project Work where works contracts are expected to typically be greater than £250k in value.

RW1 which is the subject of this procurement is intended to be used for Non-Infrastructure works with a values between £250k and £5m (but exceptionally works may fall outside those boundaries)

RW2 is Framework Agreement (Thames Wide and Geographic) which is for Infrastructure and Non-Infrastructure works with a value ranging between £5m and £25m

RW3 is Major Projects for works with generally exceeding £25m

It is intended, but not guaranteed, that Thames Water will generally allocate works contracts with a value of up to £1.5m directly to the Framework Contractors, namely such contracts will be shared between the Framework Contractors without a mini-competition. There may however be some works contracts below that value which are more suitable for a mini-competition and there may be circumstances in which works contracts above that value are directly allocated.

The aggregate Value of Contracts directly allocated to each Framework Contractor over the Term is intended to be the same. Please refer to Appendix 9 (Call-Off Procedures) of the draft Framework Agreement for further information on the procedure for the allocation of works.

two.2.5) Award criteriaII.2.5) Award criteria

II.2.11) Information about options

Options: Yes

Description of options

This lot shall run for an initial period of 4 years. Subject to satisfactory ongoing performance, the Contracting Entity reserves the right to extend this lot for up to a maximum further 4 years.

II.2.14) Additional information

Please note, the envisaged number of participants to lot 3 is 12.

Section VI. Complementary information

VI.3) Additional information

** Please note, this is a Contract Award Notice **

VI.4) Procedures for review

VI.4.1) Review body

Thames Water Utilities Limited

Reading

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Thames Water Utilities Limited will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

The Utilities Contracts Regulations 2016 (SI 2016 No 274) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
