Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 (as amended) and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into. However following a legal challenge the intent to award was withdrawn and the process discontinued.
