Scope

Description

Bracknell Forest Council intends to commission a new joint contract combining waste collection, street cleansing and grounds maintenance. Commissioning for this joint contract will also commence in September 2026 - however, the Council recognises the need to have existing services co-terminate so they can then be combined.

This procurement is intended to be of limited duration (18 months) to bring the end date of the waste collection contract into line with the street cleansing and grounds maintenance contracts.
