#### II.1.4) Short description

The Climate Finance Accelerator (CFA) is part of the UK's efforts to support climate action at scale by improving the quality of emerging green businesses and initiatives in Emerging Markets and Developing Economies and matches them to relevant investors. It also fosters action to address relevant policy and regulatory barriers.

We intend to launch a tendering process to source an Independent Advisor who will collaborate with DESNZ to deliver CFA.

The procurement will be sourced via an Open Procedure, and interested suppliers are advised to register to our e-sourcing platform Jaggaer to participate in the tender.

The length of the contract is expected to be an initial 18 months with an option to extend for an additional 18 months.
