Description

As part of the UK Government's Get Britain Working agenda, Buckinghamshire Council has been working in partnership with the Department for Work and Pensions to develop the key supported employment programme Connect to Work.

Connect to Work will depend on successful partnerships with referral partners, employers, employability providers and community services. The support to be made available aligns with local work, health and skills provision to enable individuals to reach their potential through different opportunities, and for employers to grow.

Through this tender, we seek to appoint one delivery partner with a proven track record of delivering effective supported employment programmes so that participants with complex barriers can access sustainable employment, employers may access a new pool of talent, and through this, our economy will thrive.
