II.1.1) Title

Sinclair Wharf Warehouse Floor Slab Replacement

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

BHC are seeking expressions of interest from contractors who are interested in tendering for the removal and replacement of an existing fibre reinforced floor slab within an existing warehouse facility at Sinclair Wharf, Belfast Harbour Estate. The works will also include the creation of additional grain bay walls within the warehouse. The existing warehouse is approximately 12,700sqft in building footprint area. The warehouse is currently occupied as a flat grain store. These operations can be temporarily decanted in part and thus, the works are to be delivered on a phased basis, with the remaining warehouse space beyond a phase zone to remain operational throughout the construction works.
