## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

DoF LPS Land Registration Delivery Partner Project

Reference number

3830533

#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The Department of Finance, Land and Property Services (LPS) in Northern Ireland has a requirement for a Land Registration Delivery Partner to deliver a modern digitally enabled ICT solution that will support the transformation of Land Registration Services. It is envisaged that the new solution will be responsible for but not limited to the replacement of the aging stand-alone legacy systems with a new digital Land Registration solution that supports the design and delivery of joined up services. The new solution will be user friendly, customer focused, support web-based technologies, digital self-service platforms and seamlessly connect and integrate with the LPS Enterprise Integration Platform to share and consume data and business events. The new solution will also be flexible and adaptable to support new and innovative methods of delivery, future changes and ongoing business needs. Further information is available in the Project Description document and the Information Memorandum (IM).

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £125,000,000

### **II.2.11) Information about options**

Options: Yes

Description of options

The Contract has an initial term of 180 months from and including the Effective Date of 01 April 2025. In addition there is an extension periods of one or more periods of up to a total of 3 three years from the end of the Initial Term. The contract value below represents the potential total value of the contract over the maximum contract including any optional extension periods. The maximum Contract Value including any optional extension period is up to 125,000,000 GBP exclusive of VAT. This maximum value reflects the potential scale of the contract and takes into account changes and potential modifications to the contract that may be required due to legislative, operational and technological developments and/or additional functions and additional services that LPS may be required to provide during the contract term. The Contracting Authority reserves the right to terminate before the expiry of the term as set out within the Contract.

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **Section VI. Complementary information**

### **VI.3) Additional information**

This competition has been conducted in accordance with the Public Contracts Regulations 2015 (“the Regulations”) and the Contracting. Authority used the competitive dialogue procedure which is governed by Regulation 30 of the Regulations. The Contracting Authority reserves the right to modify and vary the contract to provide for additional services that are complementary to the services to be provided under the Land Registration Delivery Partner Project in order to address future functions and requirements and/or additional ICT requirements, such as: – Services that allow for enhancements and developments to be created, implemented. and maintained throughout the system;. – Services that allow for new service modules to be added to the system, for example, and without prejudice to the generality of the foregoing, a provider for digital signatures; – Services that develop, assist, maintain and improve the functionality of the system, including but not limited to the increased automation of processes; – Services to facilitate, assist and support the integration of the system with other systems used by LPS (via the LPS Enterprise Integration Platform) and/or other systems used by the Northern Ireland Civil Service and wider public sector; – Services to support the inclusion and maintenance of additional users of the system. – Services to communicate and correspond with stakeholders and users of the system, such as electronic. messaging; – Services providing for the administration, including but not limited to processing applications and updating registers; – Services providing for the recording, management and processing of monies; and – Services providing for and enabling adjustments to the system to reflect change of function legislative, operational and technological developments.

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

The UK does not have any such bodies with responsibility for appeal/mediation procedures apart from the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 as amended.

Belfast

Country

United Kingdom

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 and incorporated a. standstill

period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers.. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
