Throughout the Contract Period any London Borough listed in the directory of London Councils and their associated NHS bodies and / or Clinical Commissioning Group may elect to join the Contract (a “New Participant”)

The main purpose of the Service required under the Contract is to obtain, deliver and install the appropriate community equipment on loan to people living in the community enabling them to undertake tasks they would otherwise be unable to do or to provide support to a Carer to enable ongoing care in their home environment. Organisations shall be experienced in providing similar services and shall also be required, as part of their Tender, to complete a Selection Questionnaire containing information about their economic and financial standing, technical capability and other general information. This information will be assessed to establish that the organisation is financially viable and technically capable of undertaking a service of this nature. Also, as a pre-condition to their Tenders being evaluated, organisations will have to achieve a minimum of three (3) out of five (5) for Question 8.2a, 8.2b and 8.2c of the Selection Questionnaire and will have to satisfy the mandatory and discretionary grounds for

exclusion contained in the Selection Questionnaire. Full details of how the Authority will evaluate the Selection Questionnaire are contained at the beginning of the Selection Questionnaire.

The Authority also carries out financial appraisals of all organisations that Tender for the Authority's contracts to ensure that such organisations satisfy the Authority's minimum standards of economic and financial standing. In this instance the Authority has determined that it will only accept Tenders from organisations whose annual turnover in each of the last two (2) years of trading is at least £9,714,000. In addition, the Authority has set a ratio of no lower than eight (8) out of twenty (20). The details of how the Authority will determine financial standing are contained in Appendix 2 of the Selection Questionnaire.

Organisations shall be aware that only Tenders submitted by organisations who satisfy the requirements of the Selection Questionnaire shall go on to be evaluated in accordance with the Contract Evaluation Criteria of the most economically advantageous Tender received having regard to: -
