which aims to stabilise and sustain clients who are unable to access general needs or mainstream supported housing through a personalised, trauma informed model allowing assessment and planning by H&ASC for onward accommodation.

The service will:

- Work with partners to ensure effective communication, co-ordination and collaboration to sustain people with multiple and compound needs in accommodation for assessment and planning
- Deliver a service that is tailored to individual needs
- Deliver a service which represents good value for money for the council
- Enable Service Users to make empowered and positive choices about their future

A personalised and psychologically informed approach to support provision.

The service will provide a place of safety, security and stability i.e. accommodation to enable service users to stabilise.

The service will provide staffing 24 hours a day 7 days a week.

The Service Provider will support and accommodate clients who may have been multiply excluded from other accommodation services.

Service Users will have a range of complex needs including:

- Mental health issues (diagnosed and undiagnosed)
- Learning disability and difficulty
- Personality disorders
- Alcohol/substance misuse

- Behavioural problems (resulting in anti-social behaviour)
- Head injury/acquired brain injury
- Sexual abuse
