II.1.4) Short description

EN:Procure Ltd. (ENP) is a social housing regeneration consortium based in North of England. ENP specialises in the procurement of goods, works and services for the construction and maintenance of social housing properties.

ENP wishes to procure and enter into a framework agreement with multiple contractors for the new build construction of residential and commercial buildings. The scope of works undertaken via the framework agreement will include design, site preparation, site remediation, associated civil engineering and infrastructure works, new build construction, refurbishment and the development of various property types, including mixed use developments incorporating commercial or public infrastructure and or buildings. Call offs under the framework may be undertaken on a on a single stage or multi-stage call-off basis, with provisions for early contractor involvement.

The contractors will be expected to complete the works to a high standard and are expected to share ENP's commitment to regeneration, specifically the creation of training, work placement, educational activity, direct and shared apprenticeship, and new employment opportunities. Over the term of the framework ENP will expect contractors to develop their own ESG strategies as appropriate to bring wider benefits to ENP and members.
