- 31518200 - Emergency lighting equipment

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Surrey and Borders Partnership NHS Foundation Trust

II.2.4) Description of the procurement

Surrey and Borders Partnership NHS Trust is looking to identify and partner with a manufacturer of self-testing emergency lighting solutions which have the capability to monitor, report, record testing to BS5266 and create a logbook. The solution should be integrated with traditional lighting control systems with the following functionality:

- Dimming
- Presence detection
- Absence detection
- Reporting defects

The lighting control system will be accessed remotely and be able to display the energy consumed in kWhr, including:

- Daytime
- Night time
- Daily (last 24 hours)
- Monthly
- Annually

The solution should have the capability to be retrofitted to existing lighting systems as well being fully integrated with new luminaires.

Please submit your interest to the above by emailing Darren.strachan@sabp.nhs.uk. by Monday 27th June 2022.

II.3) Estimated date of publication of contract notice

8 June 2022

Section IV. Procedure
