### **Scope**

### **Reference**

OV2025

### **Description**

Hull City Council (The Authority) is seeking tenders from interested organisations to provide maintenance of bus lane cameras within Hull boundaries. The tender is a restricted procedure consisting of a one stage process utilising Crown Commercial Service Framework 6099 "Transport Technology & Associated Services" Lot 7, Direct Award. The contract is anticipated to commence 1st April 2025 ending by 31st March 2026. The Authority has estimated the value of the Services to be £108,960.55 overall. The estimated value is given in good faith to assist tenderers in making their submissions, it should not be interpreted as an undertaking to purchase any goods, services or works to any particular value by the Authority and does not form part of the Contract. Further information is contained within the tender documentation. Please ensure all tender submission documents are completed as detailed. Incomplete bids will be eliminated from further process.
