I.6) Main activity

Electricity

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Landowner Engagement Framework for Networks NI

Reference number

SONI026

II.1.2) Main CPV code

- 70332100 - Land management services

II.1.3) Type of contract

Services

II.1.4) Short description

SONI wishes to appoint an appropriately qualified and experienced consultancy firm to assist the business with landowner engagement duties associated with the securing of relevant land rights to facilitate the construction of new transmission assets on behalf of SONI and NIE Networks across Northern Ireland. SONI intends to establish a single supplier framework. The Framework Agreement period will be for an initial duration of five years with the option to extend annually for up to an additional three years, subject always to the satisfactory performance of the supplier. This process has now concluded

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £2,500,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

Main site or place of performance

Northern Ireland

II.2.4) Description of the procurement

As the electricity transmission system operator for Northern Ireland one of SONI's key functions is to plan the development of the high voltage transmission network.

Part of this entails achieving consents for new sections of the transmission network, both in terms of public consultation, planning approvals from the relevant local authorities and securing relevant land rights from persons with an interest in land (PILs) on behalf of Northern Ireland Electricity Networks Limited in its capacity as transmission asset owner (NIE Networks), who will enter onto lands to construct and thereafter own the infrastructure.

SONI has the responsibility for securing relevant land rights (including wayleave agreements or options for easements and site acquisition) and ensuring that any specific conditions or concerns raised by PILs and agreed with SONI are taken into account within

the line design process and passed on to NIE Networks as appropriate.

II.2.5) Award criteria

Quality criterion - Name: resources / Weighting: 30

Quality criterion - Name: approach and methodology / Weighting: 30

Quality criterion - Name: contract management / Weighting: 10

Price - Weighting: 30

II.2.11) Information about options

Options: Yes

Description of options

As this is a framework, the need of the required services may increase or decrease over the term.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The estimated value of 2.5 million pound is inclusive of the entire duration.

NUTS code

- UK - United Kingdom

The contractor is an SME

No

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £2,500,000

Section VI. Complementary information

VI.3) Additional information

1) Interested parties must register their interest on the mytenders web site (www.mytenders.co.uk) in order to be included on the mailing list for clarifications. All information relating to attachments, including clarifications and changes, will be published on the Portal (www.mytenders.co.uk) only. Registration is free of charge. The contracting authority will

not accept responsibility for information relayed

(or not relayed) via third parties.

2) This is the sole call for competition for this service.

3) The contracting authority will not be responsible for any costs, charges or expenses incurred by candidates or tenderers.

4) Contract award will be subject to the approval of the competent authorities.

5) If for any reason it is not possible to award the contract one or more of the tenderers invited following the conclusion of this competitive process, the contracting authority reserves the right to award the contract to the next ranked tenderer as appropriate.

6) At its absolute discretion, the contracting authority may elect to terminate this procurement process or any contract awarded.

7) Please note in relation to all documents, that where reference is made to a particular standard, make, source, process, trademark, type or patent, that this is not to be regarded as a de facto requirement. In all such cases it should be understood that such indications are to be treated strictly and solely for reference purposes only, to which the words 'or equivalent' will

always be appended.

8) Without prejudice to the principle of equal treatment, the contracting authority is not obliged to engage in a clarification process in respect of questionnaires with missing or incomplete information. Therefore, candidates are advised to ensure that they return fully completed questionnaires in order to avoid the risk of elimination from the competition.

This tender process has now concluded and a contract has been awarded.

(MT Ref:231839)
