# II.1) Scope of the procurement

### II.1.1) Title

Notting Dale Heat Network Operation and Management (O&M)- Heat distribution and charging - Ref 269

Reference number

Ref 269: Contract for Design and Build (Secondary and Tertiary Networks)

#### II.1.2) Main CPV code

• 45232141 - Heating works

#### II.1.3) Type of contract

Works

## II.1.4) Short description

The Lancaster West Estate in North Kensington is undergoing a comprehensive refurbishment of its social housing and landscaping with a deep energy retrofit to improve its energy performance.

The Notting Dale Heat Network is to be delivered and operated by a Special Purpose Vehicle (SPV) wholly owned by the Council, Notting Dale Heat Network Ltd. It is RBKC's ambition that it will be the most reliable and proactively maintained heat network in the UK.

The initial phase of the Project is to serve the Lancaster West Estate (LWE) for which the intended heat users include around 800 residential units, a school, a large Council-owned leisure centre and business units for SMEs (Baseline Studios). This project forms the second part of the Procurement strategy to support the Heat Network delivery.

The Authority is conducting procurement for the design and construction of the Tertiary Networks and all internal (above ground) sections of the Secondary Networks within the Notting Dale Heat Network.

#### II.1.6) Information about lots

This contract is divided into lots: No

#### II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £12,679,881.48

## II.2) Description

### II.2.2) Additional CPV code(s)

- 09323000 District heating
- 45232141 Heating works
- 45350000 Mechanical installations
- 51100000 Installation services of electrical and mechanical equipment

#### II.2.3) Place of performance

NUTS codes

• UK - United Kingdom

Main site or place of performance

North Kensington

#### II.2.4) Description of the procurement

The Lancaster West Estate in North Kensington is undergoing a comprehensive refurbishment of its social housing and landscaping with a deep energy retrofit to improve its energy performance.

The Notting Dale Heat Network is to be delivered and operated by a Special Purpose Vehicle (SPV) wholly owned by the Council, Notting Dale Heat Network Ltd. It is RBKC's ambition that it will be the most reliable and proactively maintained heat network in the UK.

The initial phase of the Project is to serve the Lancaster West Estate (LWE) for which the intended heat users include around 800 residential units, a school, a large Council-owned leisure centre and business units for SMEs (Baseline Studios). This project forms the second part of the Procurement strategy to support the Heat Network delivery.

The Authority is conducting procurement for the design and construction of the Tertiary Networks and all internal (above ground) sections of the Secondary Networks within the Notting Dale Heat Network.

The D&B works for this contract package will comprise:

- 1. Installation of the above-ground pipework that forms the Secondary Networks serving residential blocks, including the heat interface unit (HIUs) that serve each flat, together with strip out and disposal as appropriate of existing communal heating supply systems.
- 2. Installation of the Tertiary Networks serving each flat comprising: thermostatic controls, radiators, valves and small diameter distribution pipework; and strip out and disposal of the existing heating systems.
- 3. On completion of the above works to each block, a permanent connection to the Heat Network is required as soon as the latter has become operational, and undertake test & commissioning.

The D&B Contract period is for 4 years from 9 June 2023 to 9 June 2027. Flexibility in delivering these works within this 4-year period is key, with at least 4 months' notice of work commencement to be given to the D&B Contractor.

Suppliers will be required to express interest in this opportunity on Capital Esourcing. If not already registered on Capital Esourcing, please register at the following link: <a href="https://www.capitalesourcing.com">https://www.capitalesourcing.com</a>

Suppliers will then be granted access to the tender documentation.

Please note that registering on Capital Esourcing and expressing interest does not mean that you have bid for the tender - once the above steps are complete you will be required to complete and submit the tender documentation.

#### II.2.11) Information about options

Options: No

#### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

## Section IV. Procedure

# **IV.1) Description**

#### IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

## IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
