#### **II.2.4) Description of the procurement**

The MPS will shortly be commencing a procurement process for the supply, delivery and installation of cyanoacrylate equipment (glue fuming cabinets), also known as "Fingerprint Development Chambers".

The objective of this Contract will be for the Supplier to supply and install a number of cabinets, of varying sizes, at the Authority's Lambeth, London premises and provide ongoing support and maintenance for the life of the cabinets.

The Supplier will also be required to appropriately dispose of the existing cabinets.

The exact details will be determined at a later date at the invitation to tender stage.

#### **II.2.14) Additional information**

The MPS are still in the planning stages of our procurement sourcing strategy.

This Prior Information Notice is for information only and does not enrol or enter interested suppliers into any future procurement process.

Interested suppliers will need to apply for any future tender by responding to any formal tender notice once this has been published. It is your company's / interested supplier's responsibility to search for any future notice.

#### **II.3) Estimated date of publication of contract notice**

1 September 2023

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No
