2021/S 000-012930

II.1.2) Main CPV code

- 31158000 - Chargers

II.1.3) Type of contract

Supplies

II.1.4) Short description

Coventry City Council is seeking to install initially between 220 to 300 electric vehicle charging points and parking sensors into residential locations within the City of Coventry for the use of residents and the general public. This Invitation to Tender (ITT) is to appoint a single supplier to support the delivery of this project to contract for the supply, delivery, connection, commissioning, maintaining and ongoing operation of the charging points installed as well as supply and install bay parking bay sensors at the locations. The Supplier will also be responsible for any electrical works along with schematics within the feeder pillars and cabling from the feeder pillars to the charge points supplied and installed.
