II.2.4) Description of the procurement

NHS England is responsible for commissioning Section 7A Public Health services which include the community and school aged immunisation service (CSAIS) delivered to children and young people.

The aim of this service is to deliver a safe and effective vaccinations to children and young people in school and community settings.

This service will cover the following immunisations:

- Seasonal flu immunisation including Live Attenuated Influenza Vaccine (LAIV) and intramuscular (IM) vaccines in line with national roll out plans, this includes special schools and nurseries (students and staff)
- Tetanus, diphtheria, and polio (Td/IPV)
- Meningococcal groups A, C, W and Y (MenACWY)
- Human Papillomavirus (HPV) for girls and boys
- Measles, Mumps and Rubella (MMR) catch-up
- Neonatal/ infant BCG and BCG catch-up
- Outbreak response in a community setting.
- Potential to expand further to cover the following (but not limited to)
 - Provide opportunistic adult immunisations.
 - RSV

NHS England, East of England, has reviewed the existing CSAIS services delivered across the region's 6 ICBs (currently configured according to geographies of Essex, East Anglia, Hertfordshire, Bedfordshire, Luton, Milton Keynes).

To streamline our commissioning approach and to simplify contracting arrangements, it is our intention to consider moving to commission a single service for the East of England Region.

The procurement is expected to deliver the following benefits:

- Protect individuals and communities against vaccine preventable diseases.
- Maximise overall uptake achieving 'herd immunity' wherever possible.
- Improve uptake in areas of historically low uptake.

- Improve consistency of service provision across the whole of East of England region.
- Providing appropriate and patient led services in the right place.
- More cost-effective use of NHS resources.
- Respond to outbreaks.

The Commissioner is placing a Prior Information Notice (PIN) which will be used as a conduit to obtain feedback from the market and ascertain market capability and interest in the opportunity and help determine the appropriate way forward.

By following the relevant access details below Providers will be able to access the project on Atamis where they can view a suite of documentation including the service specification for the service. It is anticipated that TUPE will apply to this service going forwards and if applicable, details will be shared as part of any selected process. Providers will be invited to offer feedback via a set of questions.

II.3) Estimated date of publication of contract notice

Section VI. Complementary information

VI.3) Additional information

This is purely an early engagement exercise and does not commit the commissioners to carry out a procurement process. Any subsequent procurement will be advertised separately and all organisations wanting to participate will need to respond to the procurement advertisement as and when published. Current services will remain in place during this period in line with existing contracts. The procurement will be advertised in accordance with the requirements of the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 will not apply to this award.

The Contracting Authority will be using an e-Tendering system for this PIN. To access the documentation and respond to the relevant PIN questionnaire please go to: 'Live Opportunities' list on the e-tendering portal at the following link: <https://atamis-1928.my.salesforce-sites.com/?SearchType=Projects> and respond to the question set.

You can search for the opportunity by entering the following project reference: C285068 EOI: Community & School Age Immunisation Services (CSAIS).

Please note this PIN closes 1700hrs on Friday 14th June 2024. Registrations for the Market Engagement event held on Monday 10th June 2024 must be made by Thursday 06th June 2024.
