Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The University of Edinburgh is looking to award Agilent for the supply of a Novocyte Penteon 5 Laser without request for competition as the equipment will be installed within a pre-existing flowcyte laboratory which holds multiple other Novocyte products. The requirement for consistency in process, output and use of consumables means that from a technical perspective, not other supplier is suitable.
