II.1.4) Short description

Framework Agreement for Construction Works.

Lots are categorised in accordance with the project value and the geographical location of the project.

Contractors are required to tender in accordance with the criteria as stipulated for each individual lots. Contractors are being awarded positions in accordance with the award criteria, within ITT documentation, by applying their tendered ranked combined scores for quality and price application (MEAT).

This Framework Agreement offers Contracting Authorities access to Contractors providing a diverse range of Constructions Works, individual projects, or programmes of work including but not limited to New Build and/or extensions and/or improvements and/or renovations/refurbishment of:

- Schools
- Libraries and Leisure Facilities
- Civic Buildings

- Historic Buildings
- Universities and Further/Higher Education establishments
- Health care buildings
- Housing
- Commercial buildings

This list is not exhaustive and is intended to provide a general overview of the types of works that may be awarded. All works awarded will be at the discretion of the Contracting Authority and in accordance with their internal procedures.

Due to the diverse complexities attributed within the remit of Construction Works it is anticipated there may be a requirement for work to include additional construction disciplinary expertise including civil engineering, infrastructure and demolition works.
