Section II: Object

II.1) Scope of the procurement

II.1.1) Title

How can tech help make public sector data easy to find?

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

Our Challenge is to help make public sector data easier to find. We want to help people find data using simple search terms without needing to know the specific name of the data, who owns it and where it might be published.

Please visit our website for information on CivTech and how to get involved.
