II.1.4) Short description

The Extractive Industries Transparency Initiative (EITI) is the global standard for good governance in the oil, gas and mineral sectors. It is active in 56 countries worldwide and is an influential voice in shaping the future of these sectors. With senior engagement from government, industry and civil society at an international level, it provides a unique tool to champion good governance of natural resources globally and further the UK's strategic objectives. The work of EITI is beneficial for the UK because it encourages open, transparent practices here and overseas, thus helping to create good investment environments.

This VEAT notice has been published to declare that the original contract which began in June 2019 has been extended to ensure that all additional final deliverables are supplied by BDO LLP to BEIS.

The Contract is extended from 16th June 2022 - 15th August 2022 to ensure that the work carried out by the contractor (BDO LLP) is completed and published in June/July - specifically the UK EITI Payments Data Report and associated data files, covering payments in 2021.

This variation will take effect from 16th June, 2022. The value of this extension shall not exceed £105,000.00. The total value of the contract, including previous variations, is therefore £518,048.78.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Additional deliveries by the original supplier

Explanation:

This extension is conducted in line with Regulation 72(1)(b) of the Public Contracts Regulations 2015, "for additional services by the original contractor that have become necessary and were not included in the original procurement, where a change of contractor would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in price does not exceed 50% of the value of the original contract".

The original contract was sourced via the Management Consultancy Framework RM3745, so would not need to be advertised via Find a Tender or its OJEU Predecessor.
