I.6) Main activity

Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SW22/CSD/1409 Industrial Services

II.1.2) Main CPV code

- 90913100 - Tank-cleaning services

II.1.3) Type of contract

Services

II.1.4) Short description

This framework will cover the provision of cleaning various types of water and waste water assets. This will include but not limited to sludge tanks, chemical tanks, digestors, clarifiers, precipitators or DAF units, reactors and channel cleaning. Also included in scope are spillages, pipe clearing, pressure jetting and waste disposal routes. CDM does apply to this work-type and so the Construction with/without Exemptions SQ/PQQ will be used as appropriate.

II.1.5) Estimated total value

Value excluding VAT: £12,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

Main site or place of performance

SCOTLAND

II.2.4) Description of the procurement

This framework will cover the provision of cleaning various types of water and waste water assets. This will include but not limited to sludge tanks, chemical tanks, digestors, clarifiers, precipitators or DAF units, reactors and channel cleaning. Also included in scope are spillages, pipe clearing, pressure jetting and waste disposal routes.

Core equipment to deliver the service effectively will include but not limited to: liquid ring tankers, dis-ab tankers, vacuum tankers and high pressure jetting equipment. Additional specialist equipment may include recycler tankers, combined vacuum tanker with pressure jetting, CCTV pipeline and surveying equipment, skip hire and screening/separation equipment. All works are required to be planned, executed and completed in line with the Scottish Waters Sewage Hygiene Health & Safety Standard and Water Supply Hygiene Code of Practice. Scottish Water's TOM's and DOM's procedures will apply as will DSEAR awareness training and processes. In addition, the following safety provisions will be required in certain applications: breathing apparatus and airline equipment, atmosphere monitoring equipment and rescue provisions. Further safety equipment/provisions may also be necessary again based on application/asset requirements and should be identified at the planning stage of any undertaking.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £12,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

4 X 1 year extension options at Scottish Waters discretion (framework value of £12m based on 8 year term; initial plus extension options)

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The PQQ documents can also be accessed by logging in through Scottish Waters Delta e-sourcing webpage <http://scottishwater.delta-esourcing.com> and through the response manager section using the following access code: GNT6DWGWNNU

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.6) Deposits and guarantees required

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Bidders must comply with modern slavery act and operate an ethical supply chain

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

11 July 2022

Local time

5:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

15 August 2022

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used
