# **Section II: Object**

## II.1) Scope of the procurement

### II.1.1) Title

Library Systems Replacement

Reference number

PROC-IJ-ITT366

### II.1.2) Main CPV code

• 48161000 - Library management system

### II.1.3) Type of contract

Supplies

### II.1.4) Short description

The Library is at the heart of University provision as an academic Library of excellence, a physical and digital destination for knowledge acquisition, curation, and creation. The digital experience of the Library requires enhancement to match user expectations as a core service for a future-fit University.

We require a replacement Library Management Solution, matching or exceeding our specification as defined within this document, to be delivered before the start of Academic Year 2022-23.

The Library is at the heart of University provision as an academic Library of excellence, a physical and digital destination for knowledge acquisition, curation, and creation. The digital experience of the Library requires enhancement to match user expectations as a core service for a future-fit University.

We require a replacement Library Management Solution, matching or exceeding our specification as defined within the specification of requirements document, to be delivered before the start of Academic Year 2022-23.
