This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKD7 - Merseyside

II.2.4) Description of the procurement

The purpose of this service is to provide a high quality, personalised, bed based intermediate care service supporting the home first approach within the Borough of Knowsley. Only those provider's registered within borough will be eligible for this contract as therapy staff are provided by a third party which are contracted to deliver services

within the borough of Knowsley.

The Service is to be provided in a Care Quality Commission (CQC) registered care setting in an environment that meets the person's needs and offers a safe and comfortable setting for the duration of the intervention required. Only those providers with a minimum CQC rating of requires improvement may apply.

The service aims to prevent unnecessary admissions to acute hospitals and premature admissions to long-term care, and to further support timely discharge from a hospital setting.

Bed based intermediate care is designed to provide people with short term, intensive therapy support, to stabilise and improve their physical, mental, and functioning ability. This then enables people to move on to a less intensive reablement care intervention or back into independent living within the community

II.2.6) Estimated value

Value excluding VAT: £2,042,434

II.2.7) Duration of the contract or the framework agreement

Duration in months

24
