Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Y20032 Dynamic Purchasing System for Power Purchase Agreement Providers

II.1.2) Main CPV code

• 09000000 - Petroleum products, fuel, electricity and other sources of energy

II.1.3) Type of contract

Supplies

II.1.4) Short description

This Dynamic Purchase System (DPS) provides a route, compliant with UK public procurement regulations, for public bodies to procure Power Purchase Agreements. It is intended to help public bodies and renewable energy generators contract together through a relatively simplified and standardised way. With the aim of driving greater and faster expansion of renewable generation assets. The DPS is structured such that Generators who can meet a set of mandatory requirements, set in the Specifications document, will be accepted as approved Suppliers to the DPS. Individual or groups of public bodies will run mini competitions to which approved Suppliers will be invited to bid. The mini competitions will include more detailed specifications relating to the requirements of that/those public bodies. What further specifications could be covered under mini competition is expanded further in the Specification document. To note that Services, Goods and/or Works may be procured through the future

II.1.5) Estimated total value

Value excluding VAT: £200,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

• UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

This Dynamic Purchase System (DPS) provides a route, compliant with UK public procurement regulations,

for public bodies to procure Power Purchase Agreements. It is intended to help public bodies and renewable

energy generators contract together through a relatively simplified and standardised way. With the aim of driving

greater and faster expansion of renewable generation assets.

The DPS is structured such that Generators who can meet a set of mandatory requirements, set in the

Specifications document, will be accepted as approved Suppliers to the DPS. Individual or groups of public

bodies will run mini competitions to which approved Suppliers will be invited to bid. The mini competitions

will include more detailed specifications relating to the requirements of that/those public bodies. What further

specifications could be covered under mini competition is expanded further in the Specification document.

To note that Services, Goods and/or Works may be procured through the future mini competitions run through

this DPS and would be subject to appropriate terms, for example; Works would be carried out utilising

appropriate JCT terms, as agreed between the Supplier and Participating Authority.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

No

II.2.10) Information about variants
