II.2.4) Description of the procurement

The fixed firefighting systems installed across the CFL fleet varies by manufacturer and

system type, some systems have a requirement that only the OEM or OEM approved Suppliers can complete the required services.

With the above statement in mind, it is anticipated that CFL will be required to split the Framework into Lots dependant on the manufacturer and/or system type in order to fairly and equally evaluate Tender submissions.

This PIN acts to notify the market of our intention to establish a Framework Agreement and to initiate pre-market engagement which will help CFL determine the Framework Lots.
