**Section II: Object****II.1) Scope of the procurement****II.1.1) Title**

Infrastructure & MEICA Contractor Services

Reference number

SW19/CSD/1228

**II.1.2) Main CPV code**

- 71500000 - Construction-related services

**II.1.3) Type of contract**

Services

## **II.1.4) Short description**

Scottish Water is seeking to appoint strategic contractor partners for SR21 (2021-2027) and support capability development into and throughout SR27 (2027-2033) to support its planned, lower value, generally non-complex capital investment projects, including refurbishment and replacement requirements and our operational reactive repair requirements. The frameworks will be awarded for 2021-27, with extension options, at client discretion based on business requirements, up to 2033. The intention is to award contracts under this framework in 4 Lots: Lot 1 R&M for Infra Water & Waste Water, Lot 2 Capital Investment for Infra & Civils, Lot 3 R&M for M&E and Lot 4 Capital Investment for MEICA. Estimated value across the 4 lots for the initial 6 year period is in the range of 1 900 000 000 to 2 300 000 000 GBP and when including the potential 6 year extension period is in the range of 4 300 000 000 to 5 200 000 000 GBP (FY18/19 prices). Please access Appendix A - Full OJEU Scope within the SQ

## **II.1.6) Information about lots**

This contract is divided into lots: Yes

## **II.2) Description**

## **II.2.3) Place of performance**

NUTS codes

- UKM - Scotland

Main site or place of performance

SCOTLAND

## **II.2.4) Description of the procurement**

Strategic contractor partners are required to provide expertise, guidance, support and resources in design, planning, management and delivery for the provision of Repair and Maintenance Mechanical & Electrical services on a pan Scotland basis, including Islands. Strategic contractor partners will be primarily focused on reactive repairs to our Water and Wastewater mechanical and electrical assets to ensure that the necessary high standard of customer service can be maintained at all times. This will involve support during normal working hours as well as out of hours and including weekends. To aid efficient resource management by our strategic contractor partners an appropriate level of planned projects will be routed through the partners for delivery. The Construction, Design and Management (CDM) 2015 Regulations apply to these works and successful strategic contractor partners will be expected to discharge their duties in-line with this.

## Section VI. Complementary information

### VI.3) Additional information

Scottish Water will not accept the ESPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the OJEU Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
