The Dynamic Purchasing System (DPS) for Short Breaks Groups and Activities is to commission a range of organisations to increase the activity programmes and groups available to children and young people with disabilities. The aim of the DPS is to provide parents, carers, and family members the opportunity to have a short break from their caring responsibilities, to widen choice and geographical spread, increase responsiveness and flexibility, encourage inclusion and integration, and achieve value for money. WCF welcomes interest and registrations from a wide range of community, youth, and children's organisations, not just those with a current specialism in disabilities. Organisations can apply for one or more of these services in a single community, locality or across the county of Worcestershire.
